Teaching Narrative Theory

David Herman, Brian McHale, and James Phelan, eds.

“Simply one of the most coherent and engaging academic books I’ve read in a good while.”
—Garrett Stewart
University of Iowa

The last two decades have seen a burst of renewed interest in narrative theory across many academic disciplines as scholars analyze the power of storytelling in print and other media.

Teaching Narrative Theory provides a comprehensive resource for instructors who aim to help students identify and understand the distinctive features of narrativity in a text or discourse and make use of the terms and concepts of the field.

Powers of Possibility
Experimental American
Writing since the 1960s
ALEX HOUEN
By outlining a novel concept of
literary practice, “potentialism”, this
book shows how opening up literary
possibilities enabled writers such as
Allen Ginsberg, LeRoi Jones/Amiri
Baraka, William S. Burroughs, Kathy
Acker, and Lyn Heijman to tackle
matters of power and politics.
2012 304 pp. Hardcover $99.00

Downwardly Mobile
The Changing Fortunes of
American Realism
ANDREW LAWSON
“Innovative in its approach, clearly
and pleasingly written, and it will be
of great interest not only to scholars
of realism but, more generally, to those
active in American literary and cultural
studies.”—Amy Schragter Long,
author of The Syntax of Class: Writing
Inequality in Nineteenth-Century America

Dickinson Unbound
Paper, Process, Poetics
ALEXANDRA SOCARIDES
“This is by far the best book on
Dickinson I have read in a long
time. It is an important and timely
contribution to Dickinson studies, to
the history of the book, to the history
of reading, and a crucial contribution
to the emerging field of nineteenth-
century historical poetics.”
—Virginia Jackson, author of
Dickinson’s Money: A Theory of
Lyric Reading
2012 224 pp. 20 illus.

AMERICAN NIGHT
The Literary Left in the Era of the Cold War
ALAN M. WALD
“The dark days of literary radicalism which conclude Wald’s magnificent trilogy present their own deep fascinations. Tragedy and irony abound in the writings, and the lives, of the celebrated and too little-known artists whom readers meet. A stunning work of history as well as literary criticism . . . situates its subject in the Cold War and changes the very ways we think about that period.”
—David Roediger, University of Illinois

FATAL REVOLUTIONS
Natural History, West Indian Slavery, and the Routes of American Literature
CHRISTOPHER P. IANNINI
“An important addition to eighteenth-century literary and cultural studies. . . . Iannini unearths a vast archive and leads us to reconceive the spatial and linguistic boundaries of colonial and early national study.”
—Philip Gould, Brown University
328 pages $45.00

A HARMONY OF THE SPIRITS
Translation and the Language of Community in Early Pennsylvania
PATRICK M. ERBEN
“His elegant readings cross a wide range of sources, from mystical texts to musical scores, to restore our understanding of the utopian culture shared by the linguistically diverse believers drawn to William Penn’s ‘Holy Experiment.’”
—Mark Peterson, University of California, Berkeley
