Cosmopolitan Minds
Literature, Emotion, and the Transnational Imagination
BY ALEXA WEIK VON MOSSNER
Reading transnational American literature from a cognitive perspective, this book argues that our emotional engagements with others—real and imagined—are crucially important for the development of cosmopolitan imaginations.
$55.00 hardcover • $55.00 e-book

MLA’s essential standard guide for graduate students, scholars, and professional writers

“The bastion of scholarly publishing etiquette.”
—Bookpage

The third edition of the MLA Style Manual offers complete, up-to-date guidance on writing scholarly texts, documenting research sources, submitting manuscripts to publishers, and dealing with legal issues surrounding publication.

“This third edition of the manual is indispensable. . . Essential.”
—Choice

“This edition moves MLA’s scholarly guidance into the twenty-first century in ways that most of us would never have expected.”
—Writing Lab Newsletter

xxiv & 336 pp.
$32.50

LARGE-PRINT EDITION
$37.50

The new, sixth edition of James L. Harner’s *Literary Research Guide* is now available in a searchable online format for individuals.

LITERARY RESEARCH GUIDE

“The animatedly, energetically, enthusiastically, and vigorously recommended . . . it should serve as a model for bringing a printed reference online.”

—Library Journal

Updated regularly, the *Literary Research Guide* is a selective, annotated guide to reference sources essential to the study of British literature, literatures of the United States, other literatures in English, and related topics.

The annotations for each work

- describe its type, scope, major limitations, and organization
- evaluate coverage, organization, and accuracy
- explain its uses in research
- note related works, including ones not accorded separate entries in the Guide

The sixth edition of the *Literary Research Guide* contains over 1,000 entries, which refer to more than 1,600 additional resources and cite over 700 reviews. The Guide also shows how scholars identify and locate primary and secondary works.

Entries can be looked up in WorldCat and Google Books, and the Guide offers flexible search options.

One-month FREE TRIAL beginning 1 July 2014

High-resolution images of manuscripts of Dickinson’s poetry are now available in open access.

In addition to manuscript images, Emily Dickinson Archive provides a historical array of editors’ attempts to translate these autograph materials into printed form, as well as contemporary transcripts of poems that do not survive in autograph. A collaboration between Boston Public Library, Frost Library at Amherst, Harvard University Press, Houghton Library at Harvard, and other institutions holding Dickinson manuscripts, Emily Dickinson Archive is designed to inspire new scholarship and discourse on this literary icon.
