Approaches to Teaching the Plays of August Wilson

Edited by SANDRA G. SHANNON and SANDRA L. RICHARDS

“I am delighted with the range and quality of essays in this volume from established heavy hitters and exciting younger scholars. They are full of valuable perspectives and insights . . . that will register with both teachers and students.”
—Steven Tracy
University of Massachusetts, Amherst

August Wilson used drama as a medium to write a history of twentieth-century America through the perspectives of its black citizenry. In the plays of his Pittsburgh Cycle, he mixes African spirituality with the realism of the American theater and puts African American storytelling and performance practices in dialogue with canonical writers like Aristotle and Shakespeare.
