MANIA FOR FREEDOM

American Literatures of Enthusiasm from the Revolution to the Civil War

John Mac Kilgore

“Kilgore uncovers and recovers a rich and important rhetorical tradition of ‘literatures of enthusiasm’ in American literary history, and a powerful means of expressing political dissent for minorities and other marginalized people. He makes a significant addition to a growing field of study.”

—**Nathaniel Cadle**, author of *The Mediating Nation*

298 pages \$32.95 paper

FAMILY OF EARTH

A Southern Mountain Childhood

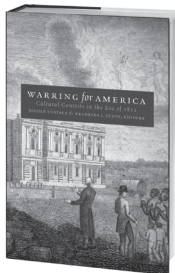

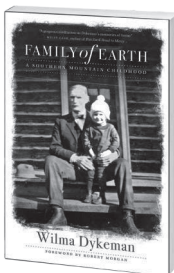

Wilma Dykeman

Foreword by Robert Morgan

“A haunting and exquisite book, not to mention a rare exception to the rule that no one so young should write a memoir. Even without much life experience, Dykeman has a great deal to say about life.”

—**New York Times Book Review**

208 pages \$18.00 paper

WARRING FOR AMERICA

Cultural Contests in the Era of 1812

Edited by Nicole Eustace and Fredrika J. Teute

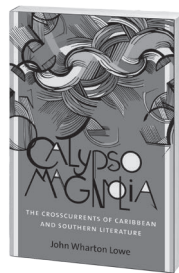

“Opens up new pathways for scholarship and thought on the early republic. Provocative, deeply engaged, and wide ranging, this set of essays reveals that, in literature, political rhetoric, theater, and art, the very idea of the republic was imagined and reimagined in the years surrounding the War of 1812.”

—**Michael Meranze**,

University of California, Los Angeles

Published for the Omohundro Institute of Early American History and Culture, Williamsburg, Virginia

CALYPSO MAGNOLIA

The Crosscurrents of Caribbean and Southern Literature

John Wharton Lowe

“Only John Wharton Lowe could have written such a magisterial and comprehensive literary study, one with an incredible historical and geographic sweep. This monumental book will change the way we think about the literary landscape of America and the Caribbean.”

—**Keith Cartwright**,

University of North Florida

“The Best Read Naturalist” Nature Writings of Ralph Waldo Emerson

Edited by Michael P. Branch
and Clinton Mohs

\$29.50 | PAPER | UNDER THE SIGN OF NATURE

“Here at last is the ‘green’ Emerson, in this well-chosen gathering of sermons, lectures, and essays from his earliest years to his last reflections—most of them virtually unknown except to the most thorough of Emerson scholars. We’ve long needed this collection, which together with its splendid introduction brilliantly illuminates the entire Emerson canon.”

Twentieth-Century Literature

Focusing on literary-cultural production emerging from or responding to the twentieth century, *Twentieth-Century Literature* offers essays, grounded in a variety of approaches, that interrogate and enrich the ways we understand the literary cultures of the times. This includes work considering how those cultures are bound up with the crucial intellectual, social, aesthetic, political, economic, and environmental developments that have shaped the early twenty-first century as well.

GENRE

FORMS OF DISCOURSE AND CULTURE

James Zeigler, editor

Genre is devoted to the study of the codes, conventions, and histories of generic forms in the context of their cultural manifestations and effects. It publishes articles that deal with questions of genre in both literary and nonliterary forms, that apply a broad range of disciplinary and interdisciplinary approaches to genre, or that consider theoretical, institutional, or political dimensions of discourse.
