Linguistic Inquiry

Linguistic Inquiry has published the most influential and cutting-edge research in linguistics for over 40 years. Over its distinguished history, the journal has charted the many developments in the field, publishing several seminal works within its pages. Linguistic Inquiry is now a touchstone for linguists the world over and remains the home for the most widely-cited scholarship in the discipline.

“Keeps professionals in the field up to date on the newest theories in fields such as morphology, syntax, logical format, semantics, and phonology . . . Recommended for complete academic collections.”
