BRIDGES
An Interdisciplinary Journal of Theology, Philosophy, History, and Science
ISSN #1042-2234

BRIDGES is a lively semi-annual publication that provides a forum for reflection on a wide variety of issues ranging from Business and Professional Ethics to Biotechnology, and from the "Functional Godlessness" of the West to Feminist Theology and Philosophy. Each theme of this journal has as the common thread a focus on values, ethics, humaneness, and meaning.

With 5 to 8 feature articles filling more than 125 pages each issue, BRIDGES has attracted important contributors from England, Canada, the US, and New Zealand. And BRIDGES includes an expanded Book Review section as well as a listing of BOOKS OF NOTE.
