

Editorial correspondence

Paul A. Bové, *boundary 2*, University of Pittsburgh, 526 Cathedral of Learning, 4200 Fifth Avenue, Pittsburgh, PA 15260. The editors of *boundary 2* announce that they no longer intend to publish in the standard professional areas, but only materials that identify and analyze the tyrannies of thought and action spreading around the world and that suggest alternatives to these emerging configurations of power. To this end, we wish to inform our readers that, until further notice, the journal will not accept unsolicited manuscripts.
