BLACK CAMERA

IU Press, in partnership with the Indiana University Black Film Center/Archive, is now the publisher of Black Camera, The New Series, edited by Michael T. Martin.

Black Camera is devoted to the study of the black cinematic experience and is the only scholarly film journal of its kind in the United States. It features essays and interviews that engage film in social as well as political contexts and in relation to historical and economic forces that bear on the reception, distribution, and production of film in local, regional, national, and transnational settings and environments.
