The Sungkyun Journal of East Asian Studies is a multi-disciplinary peer-reviewed journal dedicated to the study of East Asia. Since its founding in 2001, SJEAS has gained recognition as a truly international journal in this field. It was selected for inclusion in the Thomson Reuters’ Current Contents and Arts & Humanities Citation Index in December of 2009, and is also indexed in SCOPUS and the Bibliography of Asian Studies. In addition, SJEAS has been included in Project MUSE since 2017. All articles, including the most recent, are available online. Scholars from around the world turn to this biannual journal for articles that discuss a wide variety of contemporary and historical East Asian issues.

SJEAS seeks papers and book-reviews on the history, literature, religion, philosophy, society, drama and film, culture and anthropology of East Asia (China, Japan, Korea, and pre-1945 Vietnam).

SJEAS particularly welcomes submissions that are relevant to more than one area within East Asia.
