Approaches to Teaching Austen’s *Mansfield Park*

Marcia McClintock Folsom and John Wiltshire, eds.

“The scope is admirable, and the volume makes a valuable addition to Austen scholarship and pedagogy.”

—Laura White

*John E. Weaver Professor of English*  
*University of Nebraska, Lincoln*

This volume is the third in the MLA Approaches series to deal with Austen’s work. It provides information about *Mansfield Park* editions, film adaptations, and digital resources. Essays discuss various aspects of the novel, including the slave trade, the theme of reading, elements of tragedy, gift theory, landscape design, moral improvement in the spirit of Samuel Johnson and of the Reformation, sibling relations, card playing, and interpretations of Fanny Price, the heroine, not as passive but as having some control.

For more than thirty years, Radical History Review has stood at the point where rigorous historical scholarship and active political engagement converge.

Articles in RHR address issues of gender, race, sexuality, imperialism, and class, stretching the boundaries of historical analysis to explore Western and non-Western histories.
