# Ethnohistory

*The official journal of  
the American Society for  
Ethnohistory*

*Ethnohistory* reflects the wide range of current scholarship inspired by anthropological and historical approaches to the human condition. Of particular interest are those analyses and interpretations that seek to make evident the experience, organization, and identities of indigenous, diasporic, and minority peoples that otherwise elude the histories and anthropologies of nations, states, and colonial empires.

# GENRE

FORMS OF DISCOURSE AND CULTURE

*James Zeigler and Justin Sider,*  
*editors*

*Genre* is devoted to the study of the codes, conventions, and histories of generic forms in the context of their cultural manifestations and effects. It publishes articles that deal with questions of genre in both literary and nonliterary forms, that apply a broad range of disciplinary and interdisciplinary approaches to genre, or that consider theoretical, institutional, or political dimensions of discourse.
