THE FORMATION OF LATIN AMERICAN NATIONS
From Late Antiquity to Early Modernity
By Thomas Ward
$55.00 HARDCOVER · 392 PAGES · 7 ILLUS., 8 MAPS

This pioneering work brings the pre-Columbian and colonial history of Latin America home: rather than starting out in Spain and following Columbus and the conquistadores as they “discover” New World peoples, The Formation of Latin American Nations begins with the Mesoamerican and South American nations as they were before the advent of European colonialism—and only then moves on to the sixteenth-century Spanish arrival and its impact.

SUSTAINING THE DIVINE IN MEXICO TENOCHTITLAN
Nahuas and Catholicism, 1523–1700
By Jonathan Truitt
$45.00 HARDCOVER · 320 PAGES · 21 B&W ILLUS., 4 TABLES

What happened to indigenous life after contact with the Spanish? Sustaining the Divine in Mexico Tenochtitlan addresses this and other questions by focusing on Mexico City in the colonial era. Moving beyond the standard narrative of Spanish domination, author Jonathan Truitt uses Nahuatl- and Spanish-language sources to provide an innovative look at indigenous life on the southern half of the island capital of the Viceroyalty of New Spain.

New Books from Duke University Press

A World of Many Worlds
MARISOL DE LA CADENA and MARIO BLASER, editors

“A World of Many Worlds is one of the most original, forceful, and intellectually exciting statements by critical social theorists in a long time. Readers will be left with the distinct feeling that the epistemic earth has shaken under their feet. Not only that, they will feel better equipped to live in and contribute to building worlds otherwise.”—Arturo Escobar

Ethnographies of U.S. Empire
CAROLE MCGRANAHAN and JOHN F. COLLINS, editors

“Ethnographies of U.S. Empire is an exceptionally rich collection of articles on the variety of forms American imperialism takes, both internally (starting with the dispossession of Native peoples from their lands) and globally.”—Sherry B. Ortner

The Brazil Reader
History, Culture, Politics
Second Edition, revised and expanded
JAMES N. GREEN, VICTORIA LANGLAND, and LILIA MORITZ SCHWARCZ, editors
Latin America Readers

“A marvelous introduction to Brazil, this book truly captures the complex history of our diverse nation. In the process, it highlights the triumphs and setbacks of the many movements and people who have fought for democracy and social justice in Brazil across time.”—Dilma Rousseff
Hispanic American Historical Review pioneered the study of Latin American history and culture in the United States and remains the most widely respected journal in the field.

HAHR's comprehensive book review section provides commentary ranging from brief notices to review essays on every facet of scholarship about Latin American history and culture.

If you are a big tree,
we are a small axe.
—Bob Marley

As the Jamaican proverb suggests, a “small axe” can be an instrument of criticism. This is what Small Axe is: a Caribbean journal for social, political, and cultural criticism, with a focus on the ideas that form Caribbean modernities.

Issue alerts are a great way to stay current on all the cutting-edge scholarship from your favorite Duke University Press journals. This free service delivers tables of contents directly to your inbox, informing you of the latest groundbreaking work as soon as it is published.

To sign up for issue alerts:

1. Visit [dukeu.press/register](http://dukeu.press/register) and register for an account. You do not need to provide a customer number.
3. Go to “Latest Issue Alerts” and click on “Add Alerts.”
4. Select as many publications as you would like from the pop-up window and click “Add Alerts.”
