NOTES FOR CONTRIBUTORS

Submission of Articles

*GLQ* is edited according to the *Modern Language Association Style Manual* (1985). Submit three copies of all manuscripts to Jody Greene, Managing Editor, *GLQ*, Society for the Humanities, Cornell University, A.D. White House, 27 East Avenue, Ithaca, NY 14853-1101. Submission of an article will be taken to imply that it has never been published previously in any form and has not simultaneously been offered to any other publication. Upon acceptance of an article, authors will be asked to sign a Transfer of Copyright form, transferring copyright of the article to the publisher.

No unsolicited book or film/video reviews will be accepted for publication. Inquiries, proposals, and copies of work to be reviewed may be sent to the appropriate review editor:

Format

All articles should be typed on one side of the paper only, and double spaced with a wide (3 cm or 1 1/2") margin on each side of the text. The maximum preferred length is 50 manuscript pages (or 15,000 words). The publisher encourages authors to submit accepted manuscripts on computer disk. WordPerfect 5.1 is the preferred software, but other software and formats are acceptable.

For anonymity in the review process, names, affiliations and complete mailing addresses for authors should appear on a separate title page, and references in a submitted manuscript to the author’s other works should be made in such a way as not to compromise the author’s anonymity. Include acknowledgments under a separate head at the end of the paper but before the reference list.

Illustrations

Illustrations should be numbered with consecutive arabic numbers, have descriptive captions, and be mentioned in the text. Keep them separate from the text, but indicate an approximate position for each in the margin. Line drawings should be prepared in black (India) ink on white (or tracing) paper, with all lettering and symbols included. Alternatively, a glossy print is acceptable. Photographs must be good glossy original prints of maximum contrast. Illustrations should be submitted as close to final size as possible to minimize reduction; figures will be sized to a maximum of 12.5 cm (6 1/2") wide or less, according to subject matter.

References

The full list of notes and works cited should be collected at the end of the paper. Full bibliographical information should appear only in the list of works cited, not in the notes. Notes should be indicated in the text by consecutive superior arabic numbers. Journal title abbreviations should conform to the *MLA International Bibliography*. Some examples:

Notes and references will be listed at the end of the paper when set in type.

Proofs

Authors will receive page proofs (including illustrations) by airmail for correction, which must be returned to the printer within 48 hours of receipt. Please ensure that a full postal address is given on the first page of the manuscript so that proofs will arrive without delay. Authors’ alterations over 10% of the original composition cost will be charged to authors.

Reprints

The publisher will supply 25 free reprints of each paper to the first-named author. Further reprints may be ordered by completing the appropriate form sent with proofs.
