CRITICAL TERMS FOR THE STUDY OF GENDER
Edited by Catharine R. Stimpson and Gilbert Herdt

“Critical Terms for the Study of Gender provides sophisticated genealogies of concepts that have transformed scholarship in the humanities and social sciences over the past four decades. This volume demonstrates the importance of feminist and queer scholarship to an adequate understanding of the complexities of contemporary life.”
—Mary Hawkesworth, Rutgers University

SEXUAL DISCRETION
Black Masculinity and the Politics of Passing
Jeffrey Q. McCune, Jr.

“McCune’s book is an exposé not of the sexual practices that have become part of contemporary discourses about black male sexual life but of the will to truth that continues to haunt sexuality in general. A welcome addition to the evolving field of black queer studies.”—Roderick Ferguson, University of Minnesota

PAPER $25.00

THE DECISION BETWEEN US
Art and Ethics in the Time of Scenes
John Paul Ricco

“Ricco’s articulation of sexuality theory, deconstructive philosophy, and queer art opens up different idioms to each other the way lovers open to each other—excitedly, productively, and yet always enigmatically, pointing beyond what seems present. An enrapturing read.”—Lauren Berlant, University of Chicago

Male sex work as a study is emerging. *Male Sex Work and Society*, edited by Victor Minichiello and John Scott, represents the most comprehensive work yet on this rarely covered subject.

The editors are internationally recognized social science, sexual health and public health researchers with hundreds of books and journal articles. This new book is the first to explore male sex work from a rich array of perspectives and disciplines. The contributors are leading international scholars from developed and developing countries.

The integration of separate disciplinary approaches in one volume is what distinguishes this book from any other on the subject. It dares to take an unabashed look at male sex work through many eyes with thoughtful commentary from the expert editors.
