Submissions. Submit manuscripts online at www.editorialmanager.com/glq. All emails should be addressed to Managing Editor, GLQ. Please do not submit previously published articles without the permission of the editors. Please do not simultaneously offer your article to another publication. All lines should be double-spaced (including lines in the notes), with 1.5-inch left and right margins. Articles should be 8,000–12,000 words. To maintain anonymity in the review process, please put names, affiliations, and mailing addresses, along with the article’s title and abstract, on a separate title page. Citations to an author’s own works should be made in a way that does not compromise anonymity.

Style. GLQ uses The Chicago Manual of Style, 17th edition, as its main reference. The journal uses author-date citations in running text and a reference list for documentation. Follow Chicago, chapter 15, for the form of all citations.
