

Submissions. Submit manuscripts online at editorialmanager.com/gdq. Send correspondence to gdq-editor@dukeupress.edu. Please do not submit previously published articles without the permission of the editors. Please do not simultaneously offer your article to another publication. All lines should be double-spaced (including lines in the notes), with 1.5-inch left and right margins. Articles should be 8,000–10,000 words; articles exceeding 10,000 words will not be considered. To maintain anonymity in the review process, please make sure that names, affiliations, email and mailing addresses, and acknowledgments do not appear in the file. Place the article's title and abstract on a separate title page. Citations to an author's own works should be made in a way that does not compromise anonymity.
