

"The one best book of general introduction to Latin America"

—HUBERT HERRING, author of *A History of Latin America*

The Author: The late Dr. Schurz has been widely recognized as "Dean of Latin Americanists" as a result of his over 16-years' service there as diplomat, businessman, journalist and governmental adviser. As a U. S. State Department officer, he was instrumental in the creation of its overseas cultural and international program. His Latin American assignments included service as Commerce Department field agent in Bolivia and Paraguay and Commercial Attaché in Rio de Janeiro.

Here is a completely revised, updated edition of the book the *American Historical Review* has called "indispensable"—a picture in depth of the geography, history, peoples, economy, customs and politics of Latin America.

Centering largely on changing political scenes, Dr. Schurz covers Communist influence, Colombia's civil war, the shift of power from the military class, the rise in manufacturing, developments in transportation and the growth of investment in twenty Latin American republics.

Two New Books

**of Outstanding Interest to readers of Hispanic American
Historical Review**

JOSE DEL VALLE OF CENTRAL AMERICA by Louis E. Bumgartner

Biography of one of the leading Guatemalan statesmen of the nineteenth century, Mr. Bumgartner's book contains considerable new evidence on Valle's career. Lucid, well-documented information on the formative years of Central American independence is effectively combined with the biographical narrative.

THE GOLDEN TAPESTRY by Dale B. J. Randall

A critical study of non-chivalric Anglo-Spanish narratives published from the mid-sixteenth to the mid-seventeenth century, this is the first work to attempt a comprehensive analysis of Spanish fiction rendered in Renaissance England. It also contains a synthesis of the nature and extent of the Spanish contributions to the English literary scene of this period.
