

THE INSTITUTE OF LATIN AMERICAN STUDIES
at The University of Texas at Austin
announces the publication of
MIGUEL ALEMÁN CONTESTA
by Miguel Alemán Valdés

Lic. Miguel Alemán Valdés, President of Mexico from 1946 to 1952, has played a major role in Mexican political life for more than three decades. His administration is viewed as a turning point in modern Mexican history, but there are few published materials that reveal his social and political thinking. *Miguel Alemán contesta*, which presents his extended remarks on such subjects as the Mexican political system, industrialization, and the problem of population control, is thus a significant contribution to an understanding of contemporary Mexico.

6 x 9 in., Vol. IV, xiv + 58 pp.,
4 photographs. \$2.95.

Also available in the *Encuesta Política: México* Series:

- I. *El sistema político mexicano*. By Daniel Cosío Villegas. \$2.00.

POLITICS, ECONOMICS AND SOCIETY IN ARGENTINA IN THE REVOLUTIONARY PERIOD

TULIO HALPERIN-DONGHI

"He studies events in the provinces as well as in Buenos Aires, and he provides detailed analyses of leadership in social, economic, and political spheres. . . . This is a careful and detailed piece of interpretation . . . which specialists will ponder and debate."—*History*

Number 18 \$42.50

POLITICS IN ARGENTINA 1890-1930

The Rise and Fall of Radicalism

DAVID ROCK

This account of Argentinian politics deals particularly with the Radical Party and its attempts to improve the position of the urban working class and the development of the middle class.

Number 19 \$19.50

STUDIES IN THE COLONIAL HISTORY OF SPANISH AMERICA

MARIO GONGORA

Gongora's wide-ranging essays run from the eve of discovery of the Indies to the end of the Spanish Empire and span such widely separated matters as the place of the New World in Spanish utopian thought and the workings of the native labor system.

Number 20 \$17.95

CHILEAN RURAL SOCIETY FROM THE SPANISH CONQUEST TO 1930

ARNOLD J. BAUER

Professor Bauer places the development of rural society in historical and comparative perspective and explains the importance of agrarian society in recent Chilean events. His study is set in the broader context of national development and the growth of Atlantic capitalism since 1860.

Number 21 \$18.95

LETTERS AND PEOPLE OF THE SPANISH INDIES

The Sixteenth Century

JAMES LOCKHART and ENRIQUE OTTE, Editors

A fascinating collection consisting of public and private correspondence and the intercontinental messages of merchants, grouped by themes and accompanied by a running commentary.

Number 22 Cloth \$14.95 Paper \$4.95

The Black Legend in England

The development of anti-Spanish sentiment,
1558-1660 • William S. Maltby

“Throughout the study Maltby shows a very sensitive grasp of the broader European and American history of his period; and he writes delightfully. Even apart from the Black Legend story, this study offers an enlightening early example of the development of public opinion, and also the impact of that public opinion on national policy and strategy.”

Hispanic American Historical Review

“In this penetrating study, Maltby traces the evolution of anti-Hispanism in England between 1558 and 1660, documenting the successful efforts of English propagandists to arouse public sentiment by exaggerating cases of Spanish duplicity, immorality, and cruelty. . . Well-written and authoritative.”

Library Journal

“Professor Maltby has made a significant contribution to the study of the English origins of the Black Legend and has shown how this particular prejudice affected the course of Tudor, Stuart, and Commonwealth foreign policy.”
