Puerto Rico
A US Colony in a Postcolonial World?
A special issue of
Radical History Review (#128)
Margaret Power and
Andor Skotnes, issue editors

This issue argues that the history of Puerto Rico is important, not just to Puerto Ricans on both the island and the mainland but to all in the United States and especially to progressives. Learning about Puerto Rico helps us understand better how US imperialism functions both globally and domestically. Contributors offer reading lists about Puerto Rican history, interviews with prominent figures in the Puerto Rican independence and progressive movements, and deep dives into particular aspects of Puerto Rican history.

Contributors
Sara Awaratni, Darien Brahms, Solsiree del Moral, Eileen J. Findlay, José I. Fusté, Eric Larson, Marisol LeBrón, Lisa G. Materson, Fernando Picó, Margaret Power, Andor Skotnes
If you are a big tree, we are a small axe.
—Bob Marley

As the Jamaican proverb suggests, a “small axe” can be an instrument of criticism. This is what Small Axe is: a Caribbean journal for social, political, and cultural criticism, with a focus on the ideas that form Caribbean modernities.

David Scott, editor
