The Social Medicine Reader, Third Edition
Volume 1: Ethics and Cultures of Biomedicine
Volume 2: Differences and Inequalities
JONATHAN OBERLANDER, MARA BUCHBINDER, LARRY R. CHURCHILL, SUE E. ESTROFF, NANCY M. KING, BARRY F. SAUNDERS, RONALD P. STRAUSS, and REBECCA L. WALKER, editors

“Probing and at times provocative, the wide-ranging assemblage of writings in The Social Medicine Reader offers an interdisciplinary dose of inspiration. If this collection doesn’t get you to think, nothing will!” —DANIELLE OFRI

“The new third edition of The Social Medicine Reader is absolutely essential reading for those who seek to understand the core issues that determine health, disease, and medical care in our current times. The essays collected here direct critical attention to the social forces that produce disease or protect health, the meanings of disease and their impact on patients, and the complex ethical and political issues confronting patients and providers.” —ALLAN M. BRANDT

Available for Fall Courses
Issue alerts are a great way to stay current on all the cutting-edge scholarship from your favorite Duke University Press journals. This free service delivers tables of contents directly to your inbox, informing you of the latest groundbreaking work as soon as it is published.

To sign up for issue alerts:

1. Visit dukeu.press/register and register for an account. You do not need to provide a customer number.
2. After registering, visit dukeu.press/alerts.
3. Go to “Latest Issue Alerts” and click on “Add Alerts.”
4. Select as many publications as you would like from the pop-up window and click “Add Alerts.”
