The First Prince of Wales?
*Bleddyn ap Cynfyn, 1063–75*
Sean Davies

“Davies’s book provides a fresh, bold, and persuasive account of Bleddyn ap Cynfyn, king of Gwynedd and Powys. In six succinct and clearly written chapters, he skilfully deploys a range of often difficult sources to reassess the king’s place in the turbulent politics of the mid-eleventh century.”—Ralph Griffiths, Swansea University

The Cult of St Ursula and the 11,000 Virgins

Edited by Jane Cartwright

“This edited collection places Ursula, a Welsh saint and her cult, in an international context of religious literature, hagiography, and devotional practices in Medieval Europe. Wide ranging and multidisciplinary, it is a valuable resource and essential reading for anyone interested in the religious and political culture of sainthood and feminine sanctity.”—Cathryn A. Charnell-White, Aberystwyth University

Seals and Society

*Medieval Wales, the Welsh Marches and Their Border Region*
Edited by P. R. Schofield, E. A. New, and S. M. Johns

“Drawing on research that has identified almost 2,500 seals, the authors show how close study of these artefacts, attentive both to their particular form and to the contexts in which they were used, can offer fresh perspectives on many aspects of the history of medieval Wales.”—Huw Pryce, Bangor University

Trioedd Ynys Prydein
The Triads of the Island of Britain
Edited and Translated by Rachel Bromwich
With a New Preface by Morfydd Owen
The Trioedd Ynys Prydein, or Triads of the Isle of Britain, form a series of texts which commemorate the names of traditional heroes and heroines and would have served as a catalog of the names of these heroic figures. This new edition is thoroughly revised and features a new preface by Morfydd Owen. It will be essential reading for Celticists and for those interested in early British history and literature and Arthurian studies.

Cultivating the Heart
Feeling and Emotion in Twelfth- and Thirteenth-Century Religious Texts
Edited by A. S. Lazikani
“Framed authoritatively within the latest critical discussion of the history of emotions and affective literacies, Lazikani’s sensitive readings of these sometimes alienating medieval works recover their emotional intensity and illuminate the function of the extreme suffering they evoke.”—Elizabeth Robertson, University of Glasgow

Approaches to Teaching
Shakespeare’s
English History Plays

Edited by
LAURIE ELLINGHAUSEN

“This collection brings together useful, well-written, innovative essays on teaching Shakespeare’s history plays and includes a wealth of new resources for classroom use.”
—Ann C. Christensen
University of Houston

Shakespeare’s history plays make up nearly a third of his corpus and feature iconic characters like Falstaff, the young Prince Hal, and Richard III—as well as unforgettable scenes like the storming of Harfleur. But these plays also present challenges for teachers, who need to help students understand shifting dynastic feuds, manifold concepts of political power, and early modern ideas of the body politic, kingship, and nationhood.

The Power of Place
Rulers and Their Palaces, Landscapes, Cities, and Holy Places

David Rollason

“A work of considerable learning and precise scholarship, The Power of Place demonstrates how rulers supported and extended power through the places from which they exercised it. I know of no other book that brings together this topic in such a comprehensive, systematic way. The book’s breadth, accessibility, and illustrations make it attractive to a wide audience.”

—R. I. Moore, professor emeritus of history, Newcastle University
