Labor: Studies in Working-Class History of the Americas is published four times a year by Duke University Press and is the official journal of the Labor and Working-Class History Association (LAWCHA). The journal is endorsed by the Scholarly Publishing and Academic Resources Coalition (SPARC), an initiative of the Association of Research Libraries.

Submissions
Labor encourages authors to submit manuscripts electronically. Include the article’s title but not the author’s name or institution; provide the latter information, as well as a telephone number, in the cover e-mail. Please also confirm that the manuscript has not been submitted elsewhere and will not be before a decision on publication has been made by the editor of Labor. Typically, manuscript submissions should not exceed 10,000 words, including footnotes.
