Editorial Policy

The articles in Mediterranean Quarterly express the individual opinions of their authors and do not represent the viewpoints of the journal or its editors. MQ is committed exclusively to bringing its readers a universal spectrum of subjects with thoughtful opinion by men and women of established reputations in their respective fields.

Each issue will include a section for the review of important books.

Unsolicited manuscripts are welcome and should be submitted electronically. Manuscripts should be prepared following the guidelines of The Chicago Manual of Style, 16th ed., and the example of recent issues of MQ. All submissions for publication are subjected to independent peer review.

Letters to the editor must bear the name, address, and telephone number of the author. Letters may be abridged for clarity and space prior to publication.
