Call for Cover Art

Meridians: feminism, race, transnationalism solicits submissions for cover art. The journal provides a forum for scholarship and creative work by and about women of color and Third World women in a world-wide context and seeks work that emerges from this forum as well as work that exemplifies the interdisciplinary approach and critical edge of the journal.

We aim to showcase one artist’s work on the two issues of each volume of the journal, beginning with Volume 2. All artistic submissions are welcomed and should reproduce well in black and white. Please send up to 10 slides and a cover letter to: Editor, Meridians, Wright Hall 102, Smith College, Northampton, MA 01063, United States.
