WHITMAN NEWSLETTER

Wayne University Press has taken over the publication of the *Walt Whitman Newsletter*, a quarterly periodical appearing in March, June, September, and December. The *Newsletter* was begun last year by Professor Gay Wilson Allen and was issued by the New York University Press.

Charles E. Feinberg, the Detroit Whitman collector, will serve as editor with William White, assistant professor of journalism at Wayne University. Each number will include an essay, notes and queries, news notes, and a current bibliography—all, of course, on Whitman. Material for the *Newsletter* should be sent to:
