NOVEL

A FORUM ON FICTION

Nancy Armstrong, editor

*The official journal of
the Society for Novel Studies*

Novel is devoted to the best new criticism and theory in novel studies. The journal took up this mission in the days of formalism and has responded to the innovative moments in the field during the half century since—including ideology critique, feminist and critical race theory, poststructuralism, cultural studies, and New Historicism—by publishing the most interesting new work on the novel.
