Approaches to Teaching the Works of Tim O’Brien

Alex Vernon and Catherine Calloway, eds.

“This new Approaches collection is both for aficionados of Tim O’Brien (and Vietnam literature) and for those with somewhat broader literary interests. I have nothing but glowing praise for its substantial achievement.”

—David Jarraway
University of Ottawa

“The works of Tim O’Brien,” write the editors of this volume, serve “as an ideal point of entry for discussions of war and its human impact.” The author of the highly acclaimed The Things They Carried, O’Brien is a Pulitzer Prize finalist and the winner of a National Book Award for Going After Cacciato.

Approaches to Teaching the Works of Ovid and the Ovidian Tradition

Barbara Weiden Boyd and Cora Fox, eds.

“This book will be welcomed by classicists, teachers of literature in many languages, historians of gender, and historians of visual arts.”

—Theresa Krier
Macalester College

Contributors to this volume provide practical ideas for classroom instruction, examine the political and moral discourses shaping Ovid and his legacy, explore how gender and the body are represented in Ovid and the Ovidian tradition, and look at various ways Ovid’s works have been used and transformed by writers as diverse as Dante, Cervantes, and Ransmayr.
