This comics-style collaboration between rhetoricians Elizabeth Losh and Jonathan Alexander and illustrator team Big Time Attic presents the content of the composition course in a form designed to draw students in. Understanding Rhetoric: A Graphic Guide to Writing covers what first-year college writers need to know—the writing process, critical analysis, argument, research, revision, and presentation—in a visual format that brings rhetorical concepts to life through examples ranging from Aristotle to YouTube.

“Highly entertaining and engaging.... It’s one of the first textbooks I’ve seen that could be studied as a rhetorical text in a fun and enlightening way.”

—Chris Gerben, University of Michigan
