Approaches to Teaching
WORLD LITERATURE

Approaches to Teaching the Works of Italo Calvino
Edited by Franco Ricci

“The volume’s readability and bibliographic and pedagogical detail and each essay’s careful framework render the volume valuable for nonspecialists, for Italianists, and for Calvino specialists, too.”
—Tommasina Gabriele
Wheaton College, Massachusetts

Approaches to Teaching the Works of Carmen Martín Gaite
Edited by Joan L. Brown

“This is an excellent and welcome book, written with care by a diverse group of scholars. Readers will find many innovative teaching techniques and activities to enhance the learning experience for students; the reviews of Martín Gaite’s works and of the critical studies on her will broaden the professor’s understanding.”
—Catherine G. Bellver

Genre is devoted to the study of the codes, conventions, and histories of generic forms in the context of their cultural manifestations and effects. It publishes articles that deal with questions of genre in both literary and nonliterary forms, that apply a broad range of disciplinary and interdisciplinary approaches to genre, or that consider theoretical, institutional, or political dimensions of discourse.
