Approaches to Teaching Cervantes’s *Don Quixote*
SECOND EDITION
Edited by James A. Parr and Lisa Vollendorf

“The new edition reflects an updating of the critical scholarship on *Don Quixote* and introduces new ideas based on advances in media and on the interests of the twenty-first-century student. The breadth of imaginative approaches is truly valuable.”

—William H. Clamurro
Emporia State University

This second edition of *Approaches to Teaching Cervantes’s Don Quixote* highlights dramatic changes in pedagogy and scholarship in the last thirty years: today, critics and teachers acknowledge that subject position, cultural identity, and political motivations afford multiple perspectives on the novel. Accordingly, this volume’s contributors examine both literary and sociohistorical contextualization with fresh eyes.
