The official journal of the Society for Novel Studies

Novel is devoted to the best new criticism and theory in novel studies. The journal took up this mission in the days of formalism and has responded to the innovative moments in the field during the half century since—including ideology critique, feminist and critical race theory, poststructuralism, cultural studies, and New Historicism—by publishing the most interesting new work on the novel.

New German Critique has been a prime mover in shaping the discipline of German studies. For forty years, it has sought to define the meanings of “cultural studies” and to draw on the rich tradition of German theory as intrinsic to the shaping of those meanings.
—James Rolleston, Duke University

David Bathrick, Andreas Huyssen, and Anson Rabinbach, executive editors
