Meridians

feminism, race, transnationalism

Meridians, an interdisciplinary feminist journal, provides a forum for the finest scholarship and creative work by and about women of color in U.S. and international contexts. The journal engages the complexity of debates around feminism, race, and transnationalism in a dialogue across ethnic, national, and disciplinary boundaries. *Meridians* publishes work that makes scholarship, poetry, fiction, and memoir by and about women of color central to history, economics, politics, geography, class, sexuality, and culture. The journal provokes the critical interrogation of the terms used to shape activist agendas, theoretical paradigms, and political coalitions.
