Gutai
Decentering Modernism
Ming Tiampo
Gutai is the first book in English to examine Japan’s best-known modern art movement, a circle of postwar artists whose avant-garde paintings, performances, and installations foreshadowed many key developments in American and European experimental art.

Hijikata
Revolt of the Body
Stephen Barber
Tatsumi Hijikata, creator of Butoh, is the supreme figure in the last half-century of Japan’s experimental culture, and he remains a seminal and inspirational presence for Japanese artists, choreographers, film-makers, musicians and writers.
“A brilliant and illuminating study of Hijikata and the Japanese avant-garde.”
—Donald Richie
