**Elisa Giardina Papa
Technologies of Care, 2016
Still from Worker 5: ASMRtist
Video, 4K, 25 min.**

Elisa Giardina Papa's *Technologies of Care* documents new ways that service and affective labor are being outsourced via internet platforms. This project explores empathy, precarity, immaterial labor, and the digital mediation of social relations through online work and consumption. *Technologies of Care* was commissioned by Rhizome.org as part of The Download Series and presented at the XVI Rome Quadriennale.
