Vesalius and the Languages of Anatomy (48:1)
Conversions: Medieval and Early Modern (48:3)
Committed to interdisciplinary exchange, Eighteenth-Century Life addresses all aspects of European and world culture during the long eighteenth century. The most wide-ranging journal of eighteenth-century studies, it also encourages diverse methodologies—from close reading to cultural studies—and it always welcomes suggestions for review essays.

Moving beyond the boundaries of race, gender, and class, *Cultural Politics* examines the political ramifications of global cultural productions across artistic and academic disciplines. The journal explores precisely what is cultural about politics and what is political about culture by bringing together text and visual art that engage with theory, cultural production, and politics.
