Journal of Medieval and Early Modern Studies

David Aers and Sarah Beckwith, editors
Michael Cornett, managing editor

The *Journal of Medieval and Early Modern Studies* fosters rigorous investigation of historiographical representations of European and western Asian cultural forms from late antiquity to the seventeenth century. Each issue contains articles informed by historical inquiry as well as contemporary theoretical debate.

Eighteenth-Century *Life*

Committed to interdisciplinary exchange, *Eighteenth-Century Life* addresses all aspects of European and world culture during the long eighteenth century. The most wide-ranging journal of eighteenth-century studies, it also encourages diverse methodologies—from close reading to cultural studies—and it always welcomes suggestions for review essays.

Cedric D. Reverand II, editor

CULTURAL POLITICS

In an academic universe already well populated with journals, Cultural Politics is carving out its own unique place—broad and a bit quirky.
—Lawrence Grossberg, University of North Carolina at Chapel Hill

Moving beyond the boundaries of race, gender, and class, *Cultural Politics* examines the political ramifications of global cultural productions across artistic and academic disciplines. The journal explores precisely what is cultural about politics and what is political about culture by bringing together text and visual art that engage with theory, cultural production, and politics.

*John Armitage, Ryan Bishop,
Mark Featherstone, and
Douglas Kellner, editors*
