Environmental Humanities is an international, open-access journal that aims to invigorate current interdisciplinary research on the environment. In response to rapid environmental and social change, the journal publishes outstanding scholarship that draws humanities disciplines into conversation with each other and with the natural and social sciences.

Open access

For more than twenty-five years, Public Culture has published field-defining ethnographies and analyses of the cultural politics of globalization. Providing a forum for the internationalization of cultural studies, Public Culture has mapped the capital, human, and media flows drawing cities, peoples, and states into transnational relationships and political economies.

Shamus Khan, editor
