

Twentieth-Century Literature

New to Duke University Press in 2015!

Focusing on literary-cultural production emerging from or responding to the twentieth century, broadly construed, *Twentieth-Century Literature* offers essays, grounded in a variety of approaches, that interrogate and enrich the ways we understand the literary cultures of the times. The journal considers how those cultures are bound up with the crucial intellectual, social, aesthetic, political, economic, and environmental developments that have shaped the early twenty-first century.
