

Submissions Visit the *TSQ* home page (<https://femresin.unm.edu/transgender-studies-quarterly/index.html>) to see calls for papers for upcoming issues. Essays should be submitted for review to the journal's online peer-review site (<https://mc04.manuscriptcentral.com/dup-tsq>). We do not accept submissions of previously published work. Neither do we accept submissions that are under review or have been accepted for publication elsewhere. The journal uses the author-date form of citation as described in chapter 15 of *The Chicago Manual of Style*. To facilitate the anonymous review process, please include your name, affiliation, contact information, and any other identifying information on a separate cover page, and be sure that citations to your own work are worded to maintain your anonymity. We also welcome proposals for special issues on a particular theme. Visit the homepage of the *TSQ* editorial office for information about submitting a proposal for a special issue.

Reviews Contact the appropriate review or subject editor if you have a proposal or inquiry regarding a potential review subject. Please do not submit unsolicited reviews.
