Submissions Visit the TSQ home page (lgbt.arizona.edu/transgender-studies-quarterly) to see calls for papers for upcoming issues. Essays should be submitted for review to the journal’s Editorial Manager page (editorialmanager.com/tsq/). We do not accept submissions of previously published work. Neither do we accept submissions that are under review or have been accepted for publication elsewhere. The journal uses the author-date form of citation as described in chapter 15 of The Chicago Manual of Style. To facilitate the anonymous review process, please include your name, affiliation, contact information, and any other identifying information on a separate cover page, and be sure that citations to your own work are worded to maintain your anonymity. We also welcome proposals for special issues on a particular theme. Visit the homepage of the TSQ editorial office for information about submitting a proposal for a special issue.

Reviews Contact the appropriate review or subject editor if you have a proposal or inquiry regarding a potential review subject. Please do not submit unsolicited reviews.
